Dear Zoom: You've Been Great, But It's Just Not Enough

Local components like the Fox River Valley Dental Society are all about networking and camaraderie. This past year has challenged the very core of what we do best -- bring the local dental community together. It's been a long year without warm greetings, shared stories and good laughs; and, quite frankly, we miss you!

When we look ahead to this fall, our hope is to return to our roots and safely gather together again. Venues are being reserved for all meetings for 2021-2022 to ensure that members can meet face to face and

share a meal. Rest assured that safety protocol requirements will be followed. To top it all off, a great lineup of speakers has been arranged to fulfill your CE requirements.

See Page 3 for all of the details, and watch your email boxes for updates. We hope to see you at the meetings!

Dentist With a Heart Event 2021

Thank you to the Fox River Valley Dental Society dentists, dental specialists, and their staffs who participated in the 2021 Dentist With a Heart Program. Many of our usual participants were not able to make it work this year, due to the pandemic. We hope to have the program running at full capacity again in 2022.

Helping others with spirits of kindness, generosity, and teamwork!

The amazing Geneva Family Dental's team prepares for a full afternoon of service to those in need.
